

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

DEREK STENSON,

Plaintiff,

V.

KING COUNTY, et al.,

Defendants.

CASE NO. C23-1316 MJP

**ORDER DENYING STIPULATED
MOTION TO STAY**

This matter comes before the Court on the Parties' "Stipulated Motion to Stay the
one of Defendants' Motion for Summary Judgment and Motion to Exclude." (Dkt. No. 51.)
The Court has reviewed the Motion and all supporting materials, the Court DENIES the Motion. In
the Motion, the Parties ask the Court to stay the case deadlines until it rules on Defendants'
Motion for Summary Judgment and Motion to Exclude. The Parties have not provided any
evidence or any reason why the Court should stay the case deadlines, and the Court sees no
reason to do so. Given the absence of good cause, the Court rejects the unsupported request. The
Court intends to issue a decision on both pending motions before the next upcoming case

1 deadline—the December 23, 2024 deadline for motions in limine. (See Dkt. No. 32.) There is no
2 reason to stay this matter, and the Court DENIES the Motion.

3 The clerk is ordered to provide copies of this order to all counsel.

4 Dated December 9, 2024.
